252:631-1-3. Adoption of U.S. EPA regulations by reference
The provisions of Parts 141, "National Primary Drinking Water Regulations," and 143, "National Secondary Drinking Water Regulations," of Title 40 of the Code of Federal Regulations (CFR) as published on July 1, 2005, and the requirements contained therein are, unless otherwise specified, adopted and incorporated by reference in their entirety, except for the following:
40 CFR §§ 141.600 - 141.605;
40 CFR §§ 141.620 - 141.629; and
40 CFR §§ 141.700 - 141.723.

252:631-3-21. Public water supply annual service fees
(a) Each PWS system shall be charged an annual fee (see 27A O.S. § 2-6-306).
(b) The annual fee from July 1, 2007 - June 30, 2010 shall be calculated using the actual costs of services as follows:
   (1) Laboratory analysis fees, for parameters analyzed by the State Environmental Laboratory, shall be charged as specified in OAC 252:305, "Laboratory Services";
   (2) Inspection service costs equal $25 $84.00 for purchase systems, $50 $168.00 for ground systems or $100 $336.00 for surface systems and groundwater under the direct influence of surface water systems; and
   (3) Federal program requirement costs for tracking, reporting, and enforcement and technical assistance costs (applicable to community systems and non-transient non-community systems) equal $486 $840.00 for purchase systems, $815 $1,207.00 for ground systems or $3,479 $7,053.00 for surface systems and groundwater under the direct influence of surface water systems.
(c) Each system shall be charged the actual cost for regulatory services as calculated according to OAC 252:631-3-21(b), except that:
   (1) no system shall pay less than a minimum annual fee of $50 $50.00 for purchase water systems, $75 $75.00 for ground water systems and $150 $150.00 for surface water system or less than four cents ($0.04) per service connection per month, whichever is greater, and
   (2) no system shall pay an annual fee increase of more than thirty twenty cents ($0.30) ($0.20) per service connection per month.
(d) The minimum annual fees listed in OAC 252:631-3-21(c) do not apply to state, federal, tribal, and non-transient non-community systems. These systems shall pay the actual costs of services.
(e) Each system will be notified by mail of the fee due from that system by August 1 of each year. The DEQ shall mail such notice to the most recent name and address provided to the DEQ by the PWS system, however, failure to receive such notice by the system shall not operate to waive any fees due to the DEQ.
