5. STATUS OF CHAPTER 616 RULE REVIEW COMMITTEE The purpose of the review committee for the OAC 252:616 “Industrial Wastewater Treatment Systems,” was to review and make suggested changes to the Industrial Wastewater Systems rules. The creation of the rules committee was at the request of the Council. The rules committee has not met since November, 2004. A request was made in early 2005 that the committee begin meeting again. A majority of the members of the committee did not believe there was any purpose for the committee to continue and believe it should be dissolved.
