INSTRUCTIONS: This form is for the purpose of maintaining land application records. A separate form for each land application site must be completed and maintained for five years.

<table>
<thead>
<tr>
<th>Reporting year:</th>
<th>Permit #</th>
<th># of Acres:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Name of Permit Holder:</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

I certify under penalty of law, that the requirements in the Septage Pumper and Hauler Rules, OAC 252:645, have been met. This determination has been made under my direction and supervision according to the system designed to ensure that qualified personnel properly gather and evaluate the information used to determine that the site restriction and vector attraction reduction requirements have been met. I know there are significant penalties for false certification including the possibility of fine and imprisonment.
