1. Notification

MRM has implemented a compliant collection program in Oklahoma effective Jan 1, 2009.

2. Description of Recovery Plan

All of the following applies exclusively to computer equipment that has been:

- labeled with MRM Customer Brands (see attached list), both those in use and no longer in use; and
- purchased by an individual primarily for personal or home business use.

A. Consumers do not have to pay a separate fee at the time of recycling to recycle used computer equipment.

B. MRM provides for the collection from a consumer of any used MRM customer brand computer equipment.

C. MRM provides for the recycling or reuse of used computer equipment and will not dispose of covered devices in landfills or transfer covered devices to computer equipment recycling facilities that dispose of covered devices in landfill other than necessary incidental disposal in de minimis amounts.
D. MRM provides for the collection of computer equipment that is reasonably convenient and available to consumers in this state, and designed to meet the collection needs of consumers in this state.

E. Consumers can find specific information on how and where to return computer equipment at: http://www.mrmrecycling.com/oklahoma.htm
