---

For Immediate Release: June 30, 2011  
Contact: Skylar McElhaney, (405) 702-7167

### *Media Advisory*

**WHO:** The Oklahoma Department of Environmental Quality and the Grand River Dam Authority

**WHAT:** Media Briefing on Blue Green Algae at Grand Lake

**WHEN:** Friday, July 1, 2011 at 10 a.m.

**WHERE:** GRDA Ecosystems and Education Center Grand Hall  
420 Highway 28, Langley, Oklahoma

**EVENT:** The Oklahoma Department of Environmental Quality (DEQ) and the Grand River Dam Authority (GRDA) will hold a media briefing to discuss Blue Green Algae (BGA) at Grand Lake. DEQ and GRDA continue to monitor lake waters. BGA has been confirmed in some portions of the lake. For more information on BGA, visit [www.deq.state.ok.us](http://www.deq.state.ok.us) or [www.grda.com](http://www.grda.com).
