A.6.1.1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal, State or local department or agency;
A.6.1.2. Have not within a three-year period preceding this proposal been convicted of or pled guilty or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) contract; or for violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

A.7. **BID OPENING**

Sealed Proposals shall be opened by the DEQ Purchasing Division at 707 N. Robinson Ave., First Floor, Oklahoma City, Oklahoma, 73102 at the time and date specified on the Cover Page of the solicitation as Response Due Date and Time.

A.8. **OPEN BID / OPEN RECORD**

Pursuant to the Oklahoma Public Open Records Act, a public bid opening does not make the bid(s) immediately accessible to the public. The procurement or contracting agency shall keep the bid(s) confidential, and provide prompt and reasonable access to the records only after a contract is awarded or the solicitation is cancelled. This practice protects the integrity of the competitive bid process and prevents excessive disruption to the procurement process. The interest of achieving the best value for the State of Oklahoma outweighs the interest of vendors immediately knowing the contents of competitor’s Proposals. [51 O.S. § 24A.5(5)]

Additionally, financial or proprietary information submitted by a Bidder may be designated by the Purchasing Director as confidential and the procurement entity may reject all requests to disclose information designated as confidential pursuant to 62 O.S. (2012) §34.11.1(H)(2) and 74 O.S. (2011) § 85.10. Bidders claiming any portion of their bid as proprietary or confidential must specifically identify what documents or portions of documents they consider confidential and identify applicable law supporting their claim of confidentiality. The State Purchasing Director shall make the final decision as to whether the documentation or information is confidential pursuant to 74 O.S. § 85.10. Otherwise, documents and information a Bidder submits as part of or in connection with a bid are public records and subject to disclosure after contract award or the solicitation is cancelled.

A.9. **BID DEADLINE / LATE PROPOSALS**

Proposals received by the DEQ Purchasing Division after the response due date and time shall be deemed non-responsive and shall NOT be considered for any resultant award.

The bid is due not later than the date and time listed on the Cover Page of this RFP. The deadline date may in some instances change during the solicitation issuance period. If any deadline date for submission changes, such change will be issued in a published Amendment to this solicitation prior to the deadline date indicated on the Cover Page of this solicitation. The Purchasing Division’s time stamp will determine the official receipt time. Proposals will be accepted at any time during normal business hours, which are from 8:00 A.M. to 4:30 P.M. Central Time, Monday through Friday, except for legal holidays observed by the State of Oklahoma. Proposals received after the Bid Deadline will not be opened and will be returned to the Bidder unopened.
A.10. LEGAL CONTRACT

A.10.1. Submitted Proposals are rendered as a legal offer and any bid, when accepted by the DEQ Purchasing Division, shall constitute a contract.

A.10.2. The Contract resulting from this solicitation may consist of the following documents in order of preference:

A.10.3. Purchase order, as amended by Change Order (if applicable);

A.10.4. Solicitation, as amended (if applicable); and

A.10.5. Successful bid (including required certifications), to the extent the bid does not conflict with the requirements of the solicitation or applicable law.

A.10.6. Any contract(s) awarded pursuant to the solicitation shall be legibly written or typed.

A.11. PRICING

A.11.1. Proposals shall remain firm for a minimum of sixty (60) days from the solicitation closing date.

A.11.2. Bidders guarantee unit prices to be correct.

A.12. MANUFACTURERS' NAME AND APPROVED EQUIVALENTS

Unless otherwise specified in the solicitation, manufacturers' names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition. Bidder may offer any brand for which they are an authorized representative, and which meets or exceeds the specification for any item(s). However, if Proposals are based on equivalent products, indicate on the bid form the manufacturer's name and number. Bidder shall submit sketches, descriptive literature, and/or complete specifications with their bid. Reference to literature submitted with a previous bid will not satisfy this provision. The Bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. Proposals that do not comply with these requirements are subject to rejection.

A.13. CLARIFICATION OF SOLICITATION

A.13.1. Clarification pertaining to the contents of this solicitation shall be directed in writing to the DEQ Purchasing Representative specified on the Cover Page of the solicitation.

A.13.2. If a Bidder fails to notify the State of an error, ambiguity, conflict, discrepancy, omission or other error in the SOLICITATION, known to the Bidder, or that reasonably should have been known by the Bidder, the Bidder shall submit a bid at its own risk; and if awarded the contract, the Bidder shall not be entitled to additional compensation, relief, or time, by reason of the error or its later correction. If a Bidder takes exception to any requirement or specification contained in the SOLICITATION, these exceptions must be clearly and prominently stated in their response.

A.13.3. Bidders who believe proposal requirements or specifications are unnecessarily restrictive or limit competition may submit a written request for administrative review to the Agency prior to the Pre-Bid Question Deadline date listed on the Cover Page.
A.14. **REJECTION OF PROPOSAL**

The State reserves the right to reject any Proposals that do not comply with the requirements and specifications of the solicitation. A bid may be rejected when the Bidder imposes terms or conditions that would modify requirements of the solicitation or limit the Bidder's liability to the State. Other possible reasons for rejection of Proposals are listed in OAC 580:16-7-32.

A.15. **AWARD OF CONTRACT**

A.15.1. The State Purchasing Director may award the Contract to more than one Bidder by awarding the Contract(s) by item or groups of items, or may award the Contract on an ALL OR NONE basis, whichever is deemed by the State Purchasing Director to be in the best interest of the State of Oklahoma.

A.15.2. Contract awards will be made to the lowest and best Bidder(s) unless the solicitation specifies that best value criteria is being used.

A.15.3. In order to receive an award or payments from the State of Oklahoma, suppliers must be registered. The vendor registration process can be completed electronically through the OMES website at the following link: https://www.ok.gov/dcs/vendors/index.php.

A.16. **CONTRACT MODIFICATION**

A.16.1. The Contract is issued under the authority of the State Purchasing Director or designee who signs the contract. The contract may be modified only through a written Contract Modification. Any modification or amendments to the Contract must be in writing, agreed to by both parties, and approved by the awarding state agency.

A.16.2. Any change to the Contract, including but not limited to the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the Agency Purchasing Division in writing, or made unilaterally by the supplier, is a breach of the Contract. Unless otherwise specified by applicable law or rules, such changes, including unauthorized written Contract Modifications, shall be void and without effect, and the supplier shall not be entitled to any claim under this Contract based on those changes. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in the resultant Contract.

Contractor shall supply DEQ with a copy of any subcontract issued at time of notification. The terms of the Contract shall be included in any subcontract. Subcontracts shall provide that DEQ shall have authority to directly monitor the subcontractor’s compliance with the terms of the subcontracts.

A.18.2. The existence of a subcontract shall not relieve Contractor of any responsibility for performing the Contract.

A.19. **SUBCONTRACT MODIFICATION**

A.20. DELIVERY, INSPECTION AND ACCEPTANCE

A.20.1. Unless otherwise specified in the solicitation or awarding documents, all deliveries shall be F.O.B. Destination.
