EXHIBIT 2: NOTICE OF INTENT

Oklahoma Department of Environmental Quality
Notice of Intent (NOI) for Stormwater Discharges from Small Municipal Separate Storm Sewer Systems (MS4s) Under OPDES General Permit OKR04

Please print or type: All items should be completed as accurately as possible and in their entirety. Please refer to Part 4 of the permit OKR04 for information about the required items. An original signature of the applicant is required according to PART VI.H in the permit OKR04. Use additional pages to fully describe your responses.

Note: Municipality is defined as a federal, state, city, town, county, district, association, or other public body (created by or pursuant to Oklahoma or Federal law), including special districts under State law such as a storm sewer district, flood control or drainage district, or similar entity, or a designated and approved management agency under Section 208 of the CWA.

1. Name and address of the permit applicant and local contact:
   Name of the small MS4: ________________________________
   Address: ____________________________________________
   City: ____________________________ State: ______________
   County: __________________________ State: ______________
   Telephone Number: (_____) __________ E-mail Address: ______________________________

   Name and Title of Stormwater Management Program Manager: ________________________

   Circle the appropriate letter to indicate the legal status of the operator of the facility:
   F = Federal; S = State;
   M = Municipal (public other than Federal or State, i.e. as city, county); P = Private

   ZIP Code: ____________________________
What Needs to be Submitted?

- Complete and submit an NOI – continued
  1. Information about the Permittee – Name, address, telephone number, email, name/title of SW manager, and indication of whether you are a federal, state, or other public entity
  2. Information about co-permittee
  3. Information on your MS4
     a. Location of MS4 (such as city hall, center of your UA or MS4) – latitude and longitude [http://gis.deq.ok.gov/flexviewer](http://gis.deq.ok.gov/flexviewer)
     b. Map showing your MS4 boundaries – the entire area within the city boundaries
What Needs to be Submitted?

- Complete and submit an NOI -continued
  4. Another entity that provides services to implement BMPs on your behalf - A statement listing their names and the services performed should be provided.
  5. Receiving water bodies for discharges of stormwater from your MS4
    a) A list of receiving water bodies may be attached if needed.
    b) Documentation showing compliance with Water Quality Standards for 303(d) impaired streams (Part III.A)
    c) Documentation addressing any Waste Load Allocation (WLA) in a TMDL (Part III.B)
    d) Documentation showing compliance with Water Quality Standard prohibitions for Outstanding Resource Waters (ORW) (Part III.C)
What Needs to be Submitted?

- Complete and submit an NOI - continued
  6. Outline of measurable goals and BMPs – BMPs, measurable goals or frequency of the actions, month and year, names of responsible persons
  7. Endangered Species – Part I.E and Exhibit 1 of this permit
    a. Criterion D for such as cities and towns
    b. Criterion B for such as ODOT and Tinker AFB
  8. Construction by the permitted municipality – This is an optional permit requirement
  9. Certification of Permittee – the NOI must be signed and certified by either a principal executive officer or ranking elected official (Part VI.H)
Supporting Documents for New MS4s

Submittal Checklist:

- A complete NOI – signed and dated
- An MS4 map
- A new service statement if you are relying on another entity to implement BMPs on your behalf
- A list of receiving water bodies from your MS4 if needed
- Outlines of new BMPs and Measurable Goals – BMP details, measurable goals or frequency of the actions, month and year, and names of responsible persons
- Documentation showing implementation of the 7th optional MCM – outline of your SWP3

Parts III.B and C of this permit don’t apply to any new MS4s.
Supporting Documents for Existing MS4s

Submittal Checklist

- A Complete NOI – signed and dated
- Summary of existing SWMP within the previous permit (Part V.C of this permit), including changes that have been made in responding to the findings of DEQ’s audits
- An updated MS4 map
- A new service statement if you are relying on another entity to implement BMPs on your behalf
- An updated list of receiving water bodies from your MS4 if needed
- Outlines of updated BMPs and Measurable goals – BMP details, measurable goals, month and year or the frequency of the actions, and names of responsible persons
- Documentation of addressing Part III.B and C of this permit - Description of implementation of the Lake Thunderbird TMDL by the City of Moore and City of Norman; Description showing compliance with the ORW restriction by the City of Tahlequah
- Documentation showing implementation of the 7th optional MCM – outline of your SWP3
What Needs to be Submitted?

- Application fee of $100 and the permit fee of $748.11
  [http://www.deq.state.ok.us/rules/606.pdf](http://www.deq.state.ok.us/rules/606.pdf)
