

## Archos Recycling Recovery Program

Our goal at Archos, Inc. is to offer an easy and free recycle back program to our customers to help the environment. We currently offer a free mail back solution that can be found at <http://store.archos.com/recycle>. The customer simply inputs their shipping information, and we generate a pre-paid shipping label for them to return their product. They can also call our hotline at 1-877-221-0192 to receive instructions on how to recycle their product.

Archos, Inc. will not dispose of covered devices in landfills or transfer to other recycling facilities that dispose of covered devices in landfills other than necessary incidental disposal in de minimis amounts.

If there are any other concerns or questions the customer may have about our recycling program, they are always free to call our customer support line at 1-866-489-4718.

Sincerely,

Archos, Inc.  
James Tucker  
Operations Supervisor  
(303) 962-3377

- Choose Your Country -

Hello, welcome to the Archos recycling program.

Please select your product from the dropdown list below for your prepaid UPS shipping label.
