

## **Computer Recycling Notification and Recovery Plan in Oklahoma from Voxx International**

### **1. Notification**

Voxx International has implemented a compliant collection program in Oklahoma effective Jan 1, 2014, by joining the MRM Recycling program (Electronic Manufacturers Recycling Management Company, LLC – “MRM”). This is specifically for RCA-branded computer tablets. Voxx International licenses the RCA brand to Alco International for use in making and selling non-television RCA-branded products.

### **2. Description of Recovery Plan**

All of the following applies exclusively to **computer tablets** that have been:

- labeled with the RCA brand, both computer tablets in use and no longer in use; and
  - purchased by an individual primarily for personal or home business use.
- (1) Consumers do not have to pay a separate fee at the time of recycling to recycle used RCA-branded computer tablets.
  - (2) MRM provides for the collection from a consumer of any used RCA-branded computer tablet.
  - (3) MRM provides for the recycling or reuse of used RCA-branded computer tablets and will not dispose of covered devices in landfills or transfer covered devices to computer equipment recycling facilities that dispose of covered devices in landfill other than necessary incidental disposal in *de minimis* amounts.
  - (4) MRM provides for collection (of RCA-branded computer tablets), that is reasonably convenient and available to consumers in this state, and designed to meet the collection needs of consumers in this state.
  - (5) Consumers can find specific information on how and where to return computer equipment at: [www.mrmrecycling.com/locator\\_ok.htm](http://www.mrmrecycling.com/locator_ok.htm).
